Final prices determined on assessing artwork and media.

General Guidelines for T-shirt Costs

For customer supplied stock, subtract \$3 per piece

For American made stock, subtract \$1 per piece

For imports (eg Gildan, Hanes), subtract \$2

For pockets, add \$1.50

For colored shirts, prices usually \$2.00 more

For printing on black t-shirts, add \$5 to cover the additional cost of the t-shirt and an undercoat of white.
